9 April 1957

TO: Contracting Officer

SUBJECT: Oblique Position Indicator for "B"

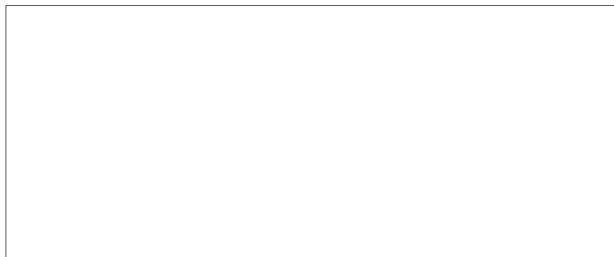

Reference is made to Hycon letter dated 14 March 1957,
and your letter to Hycon dated 1 April 1957, subject as above.

Hycon's Contract Change Proposal No. 9 for the addition
of an Oblique Position Indicator to "B" configuration is satis-
factory to us. Accordingly, you are requested to procure six (6)
units for the F.O.G. "B" units. Further, would you please request
Hycon to submit a list of recommended spare parts, if any, to Bill
Denard and WSPO for support of this indicator.
